

5P We wish...

WE WISH

That we just LIKE school.

That we will have a great school year.

That we will grow to become better students.

That we could get CHEESE for our hamburgers

And REGULAR French fries.

WE WISH

That we earn extra recesses.

That we will work hard in class.

That band will turn out to be fun.

That we read every day!

WE WISH

That we will get a lot of words right on our spelling tests!

That we have fun learning.

That we put a **STOP** to bullying.

That everyone will LOVE to read!

That recess was LOOOONG-GER!

WE WISH

That we would all learn to listen to each other.

That we wouldn't leave anyone behind.

That we would treat others respectfully.

That this year would turn out FUN!

We wish that we could make the world a better place.

WE WISH,

WISH, WISH,

WISH, WISH!
